

Evaluation of the Information Sharing Toolkit Tiers 1, 2 and 3
(Information Sharing Protocols)

It is proposed that on approval the final version of Tiers 1, 2 and 3 (Information Sharing Protocols) of the CYPS Information Sharing Toolkit be adopted by Trafford CYPS, Primary Care Trust and Healthcare Trust. Therefore your opinions on its content, value and relevance to your work are appreciated and will be considered in the final version. After reading the protocol documents, please complete the questions on this form.

Thank you in advance for the time you have taken in completing this form.

Which agency do you work for?

1. How easy were the protocols to read and understand?	TICK:
Difficult	
OK	
Easy	
Please explain your answer here:
